2009 KLONDIKE DERBY
FRONTIER DISTRICT

CAMP RULES

Please read the following carefully, as all rules will be enforced!

The primary standards for this Klondike Derby, as with all scouting events, are the Scout Oath and Law.

A good camper always maintains high standards of personal conduct, safety, courtesy, and conservation. All scouts and leaders are expected to adhere to the following minimum standards.

SAFETY

1. Always hike with a friend or friends. Get the leader’s permission for the hike, route, and returning time. Scouts must hike on designated trails only.
2. Determine the location of natural hazards; stay out of the lake.
3. Do not use liquid fuel to start fires (gas, kerosene, charcoal lighter). Gas lanterns may be used under adult supervision; gas must be locked in storage and under adult control.

4. Do not apply insect repellent near campfires. Many brands contain flammable ingredients. Aerosol containers are prohibited in camp because of additional danger of use near fires.
5. Never play games using a knife.
6. Drink from approved water supply only. DO NOT drink from ponds, streams, or rivers; they may be contaminated.
7. Keep the latrines clean. Bring your own toilet paper.
8. Campers must take all trash home with them.
9. No pets allowed in camp.
10. No passengers may be transported in the cargo section of pickups or other trucks.
11. BSA policy requires two-deep leadership for all Scout outings and campouts.

COURTESY

1. No electronic devices, headsets, ECT.
2. Leave the campsite clean. Police grounds for any trash.
3. Check-in when arriving and check-out when departing. (An inspection of your area will be made prior to approving your departure).
4. All buildings are smoke free. Smokers please smoke outside in a safe manner and keep your filters.

CONSERVATION

1. Restrict vehicles to authorized parking areas and roads.
2. DO NOT cut down trees without prior authorization.
3. If open fires are allowed, never leave a fire unattended: always put a fire out with water before leaving area.
4. Fires must be in fire rings or grills.
5. In order to protect the numerous seedlings and fragile plants, other than the Event locations Scouts must stay on designated trails.

PERSONAL CONDUCT

1. Be a good neighbor. Do not create a disturbance or cause other campers to have a bad camping experience.
2. Respect the private property of the neighbors surrounding the nature preserve.
3. Observe the restricted area on the map.
4. Take good care of nature center facilities and equipment. (Units or individual campers may be charged for defaced property and loss or damage to equipment).
5. NO ALCOHOLIC BEVERAGES MAY BE BROUGHT INTO CAMP!!

First Aid for minor injuries, cuts, scrapes, burns, bee stings, etc. will be available in the Derby

Commissioner's area.

All units must have two-deep leadership for the weekend.

This will take place at Ruark Bluff East on Stockton Lake, during the off season so no running water will be available. **EACH TROOP MUST BRING IT'S OWN WATER. REMEMBER TO INCLUDE ENOUGH FOR BOTH DRINKING AND COOKING. ALSO ONE SLED PER PATROL MUST BE PROVIDED BY EACH TROOP. DON'T FORGET TOUR PERMITS, HEALTH FORMS.**

Campfire will be on Saturday night, and each TROOP or PATROL should have a skit, story, or song to share with one another as they did so many years before.

A list of items to be included on each sled will be given to each troop prior to the Klondike Derby.
